MEASURES OF ACADEMIC PROGRESS

We track our school's academic achievement over time with two measures: the Academic Performance Index (API) and Adequate Yearly Progress (AYP). These measures combine test results differently and often provide conflicting views of student progress.

Academic Performance Index (API)

This is California's way of rating schools. The API is based on student test scores, and it rates schools on a scale from 200 to 1000. The state expects schools to obtain an API of 800. Underperforming schools have APIs falling in the bottom half of all schools in the state and are eligible for state-funded programs to improve student achievement. Our school's API was 767, compared with 752 for the average elementary school.

Adequate Yearly Progress (AYP)

This is a federal measure that requires schools to meet test score goals schoolwide and for subgroups* of students. If just one group of students fails to meet its goals, the school does not make AYP. Program Improvement (PI) schools did not make AYP for two or more years in a row in the same subject. They must offer students transfers to other schools in the district and, in their second year in PI, tutoring services as well.

CALIFORNIA API ACADEMIC PERFORMANCE INDEX		FEDERAL AYP ADEQUATE YEARLY PROGRESS	
Met schoolwide growth target	No	Met AYP	Yes
Met growth target for prior school year	Yes	Met schoolwide participation rate	Yes
API score	767	Met schoolwide test score goals	Yes
Growth attained from prior year	-2	Met subgroup* participation rate	N/A
Met subgroup* growth targets	Yes	Met subgroup* test score goals	N/A
Underperforming school†	No	Met schoolwide API for AYP	Yes
		Program Improvement school	No

* - Numerically significant groups, such as English learners and ethnic groups, with separate API and AYP goals.
N/A - Data unavailable or unreported; statistically insignificant number of valid test scores; testing data in revision with API re-release in 2006; or school uses alternative accountability measures.
† - Includes schools in these programs: Immediate Intervention/Underperforming Schools and High Priority Schools Grant.
